

Kinsmen rodeo 109 around the corner

St. Albert Kinsmen remind St. Albert and district citizens that the town's biggest weekend is only three weeks away, June 19, 20 and 21 are dates of Rodeo 109 — when Kinsmen team up with local businessmen, church and community organizations in an all-out annual celebration of St. Albert's birthday. This year the occasion is the 109th birthday of our town.

Over one hundred of the

world's top-ranking cowboys are expected to compete in six events. Big names include Kenny McLean, Canadian Rodeo Cowboys Association 1969 all-around champion, runner-up Malcolm Jones and third-place finisher Tom Bews. They'll be competing for the largest purse ever offered by a St. Albert Kinsmen Rodeo. Events are steer wrestling, Brahma bull riding, calfrop-

ing, bareback bronc riding, saddle bronc riding and wild cow milking.

Stock contractor Reg Kessler will be on hand again to ensure that performers are provided with the finest stock available in Canada or the United States.

Midway attractions will include West Coast Shows who'll introduce new rides as well as bringing back old favorites. Community or-

ganizations and church groups will provide food, refreshments and entertainment.

This year's parade is billed as bigger and better than ever. Deadline for entries is running out and organizations and individuals interested in taking part are asked to contact one of the Kinsmen at once as entries are limited.

Other popular events of

Rodeo 109 are the queen contest, Kinsmen one thousand dollar bill raffle, nightly dances at the community hall and the "free pancake breakfast" sponsored and organized by members of Grandin Shoppers Park.

Local Kinsmen look forward to the greatest success yet in Rodeo history. Successful Kinsmen rodeos in the past have meant a \$10,000 donation to the St. Albert Arena Board and a Kins-

men commitment for a \$40,000 ice plant in the new arena.

Support of Rodeo 109 means support of our community and the Kinsmen need the support of all St. Albert businessmen and residents to ensure a successful rodeo. Kinsmen urge you to invite your friends to be a part of the biggest and wildest rodeo weekend in St. Albert history.

Meeting planned on water rates

Council voted unanimously May 25 to authorize Mayor Ray Gibbon to call a meeting of interested parties in the Edmonton area to discuss the water supply from the City of Edmonton and also the matter of water rates.

Secretary-treasurer D.B. O'Connell was authorized at the March 11 meeting of council to contact all municipalities who now obtain water from the City of Edmonton, enquiring as to their interest in making a joint approach to the city or the public utilities board with respect to a reduction in water rates. A 35 per cent surcharge is presently levied by the City of Edmonton.

The Towns of Fort Saskatchewan, Stony Plain, Redwater, Leduc and Spruce Grove, the Counties of Parkland and Strathcona and the Municipal District of Sturgeon were all contacted.

Although all replies had not been received to date, council agreed that the time had come for a meeting between all parties concerned. It was decided that Ben Knowles, chairman of the Northeast Water Board and A. M. Brownlee, town solicitor should be asked to attend the meeting.

"The worst that can happen," commented Councillor J. J. Bakker, "is that we'll still pay a 35 per cent surcharge, which we're doing anyway."

Monday's high temperatures made a dip in Grosvenor Park swimming pool sound like a pretty attractive proposition. This picture was taken Monday evening when it was

very nearly "standing room only" in the pool as dozens of youngsters decided it was the best place to be.

Cynthia's gift is missing

Nine-year-old Cynthia Kashton of 4 Grange Drive went swimming Monday evening — and it proved to be very costly for her.

Cynthia parked her new bike in the rack at the pool and when she came out to pick it up after an hour's swim, it was gone.

"It's been a very upsetting experience for her," said Cynthia's mother, "it was

her birthday present."

The theft has been reported to the RCMP and although they have a number of bicycles waiting to be claimed, Cynthia's is not amongst them. The Kashtons hope that whoever took the bike — a pink mustang wildcat girl's model — will contact them and let them know where it is. The Kashtons' phone number is 599-3842.

Julian Kinisky at Fish and Game

The St. Albert and District Fish and Game Association will have Julian Kinisky as their guest at their meeting on Tuesday, June 9 in the St. Albert Community League Hall, starting at 8 p.m.

Mr. Kinisky will present a computer-produced film created by a program known as "The Total Environmental Resource Management System."

The program is able to project over a given time period the effects on our ecology of human decisions involving such things as new industrial complexes, transportation systems, dams, river diversions, and strip mining.

It has been evident for many years that there had to be something available that could tie together the many studies carried out on our ecology. There are people working in zoology, hydrology, botany, air pollution, transportation, population dynamics, communicable diseases, meteorology and many others. This computer program provides the means of uniting these studies and can show the effects of one upon the other. By project-

ing the effects on our environment many years in the future, man can make a rational judgement on his actions rather than guess as he now does.

The film gives a fascinating picture of the consequences of man's manipulation upon his environment. It shows the progression of events over a given time period on such facets of our ecology. Every animal becomes vital, the water is important, the air is important, all types of growth are

important, and the people are important; everything is important! In the particular environment under study.

One of the things shown in the film is the effect rain has on water pollution. Shown simultaneously is the amount of rainfall passing through the ecosystem, the river flow rate, and the pollution concentration in the water. These three effects are shown over a 25 year period in about two minutes on the screen.

WI donations

Donations of \$75 to the Community Volunteers, \$25 to the Rodeo float and \$15 to the A.W.I. Girls Clubs were approved at the May meeting of the Women's Institute. The meeting was held at the home of Mrs. Sharon Taylor, 45 Swallow Cres. Reports were given on the recent constituency conference and on the winning of

the handicraft cup which the local organization won for the fourth consecutive year.

Mr. Haigh, gardener on CFRN-TV, who was unable to attend the meeting as planned, sent horticultural guides and pictures of "know your flowers and weeds."

Twenty-six members and one guest attended.

Band members needed now

Adults and students from grade 6 up are reminded to pick up registration forms for the Lions Community Band, presently being formed. Applications are available at all St. Albert schools as well as Emery's Pipe Shop. Lions hope to have registrations in as soon as possible so that they can proceed with plans for the band.

Parents who wish to see their children in the band are urged to see that registration forms are submitted at an early date. They can be returned to school principals or left at Emery's Pipe Shop.

Plans are under way to have instruments available on rental and rental-purchase plans at nominal fees.

Chamber to hold public meeting

Officials of the St. Albert and District Chamber of Commerce have announced that T. V. Mussivand, engineer with the water resources branch, department of agriculture, will be guest speaker at a special public dinner meeting of the chamber, Tuesday, June 9.

Mr. Mussivand is project leader for the water diversion program for the Sturgeon River.

The local chamber is

spearheading a movement for the formation of the Sturgeon Valley Development Authority. This body would be concerned with development of the whole area through which the Sturgeon River flows. Special areas of concern would be pollution control measures, water level control, establishment of resort areas and development of parkland along the river.

Chamber officials say it

is hoped that representatives of the provincial government the Town of Gibbons, the City of Edmonton and the Municipal District of Sturgeon will be on hand for Tuesday's meeting as well as representatives of various local organizations. The chamber is particularly hopeful of a good turn-out of private citizens who wish to voice their interest and concern in this undertaking.

A group of Paul Kane stu-

dents who have been conducting an intensive study of pollution in the St. Albert area have been invited to attend the meeting and present some of their findings. William Vaness, chairman of the chamber committee in charge of arrangements and a former mayor of St. Albert, will provide background material on plans and studies already undertaken by various levels

of government.

The dinner meeting is scheduled for 6:30 p.m. at the Club Mocombo. The business meeting will start at 7:45 p.m. Tickets are \$2.25 and will be available from Paul Kane High students at Grandin Shoppers Park on

Saturday, from any member of the chamber, The Gazette office, Bob Bate at Rae's Beauty Salon, Harry Hutchings at Hutchings Shoe Store, Jim Byrne at Jim Byrne's Mens Wear, or Jim Oliphant at Grandin Agencies.

Rezoning on Ball Avenue for church

Council agreed last week to approve an application for the rezoning of a portion of Ball Avenue to permit construction of a church. Approval was given subject to the developer accepting certain conditions suggested by Town Planner J. X. Woodroffe.

The St. Albert Pentecostal Church had earlier requested of public works committee to rezone the property from

residential comprehensive to semi-public in order to allow for the building of a one-storey church, approximately 65' x 36' with seating capacity for 160 people. Officials of the church stated that presently between 60 and 90 people including children attend the church and about 12 cars accumulate during services. It was pointed out to church officials that absolutely no parking

would be allowed on Ball Avenue or Grandin Road. Approval was given subject to the dedication of a 37' service road adjacent to Grandin Road and subject to the condition that the balance of the land would

be restricted to single family housing to conform with the outline plan for the whole of the Ball Estate. The developer will also be required to show possible plans for expansion.

Safety award for Legal man

District agent A. D. (Andy) Campbell of Northwestern Utilities, Limited at Legal

was among 33 employees of Northwestern Utilities who received an award for safe driving at the annual safety dinner held at Edmonton Wednesday evening, May 27.

Mr. Campbell's award was in recognition of 10 years of accident-free driving.

The employees were from communities in north-central Alberta served by Northwestern Utilities. They represented a total of more than 500 man-years of safe driving.

A four-year-old boy got a severe sunburn, and his skin began to peel. One day, as he washed his face, his mother heard him mutter: "Only four and wearing out already."

Who is an Alberta Junior Citizen of the Year?

Anyone between the ages of 6 and 16 who has been nominated for courage, leadership, initiative and good citizenship can win a coveted Alberta Junior Citizen of the Year Award. The act for which they are nominated must have been performed between August 1st, 1969 and July 31st, 1970.

A winner in 1969 was Lorne Trotter, aged 15, who overcame the physical handicap of polio to lead his community's Walkathon to raise funds for the Canadian Legion - and after completing the 25-mile walk Lorne, who has a pin in his ankle and a fused vertebra, went to a celebration dance.

Batch plant not opposed

Council reversed an earlier decision last week and voted 4-3 in favor of indicating to the Municipal District of Sturgeon that the town had no objection to the location of a concrete batching plant on the Villeneuve Road.

The plan is to be built by Consolidated Concrete to serve its parent company, BACM.

The majority of councillors had originally voted to advise the MD of Sturgeon that the town was not in favor of the plant establishing in this location. In an appearance before public works committee, however, a representative of BACM subsequently explained that the plant was proposed for interim use only and that it would be located in an area of easy access and protected by trees.

Some councillors expressed doubt that the ready mix plant would in fact be there only temporarily.

"We have to make the municipality aware of our concern to see if there is some way to keep this on an interim year-to-year basis," said Councillor R. A. Russell.

Mayor Ray Gibbon stated that he felt certain the plant was being established on an interim basis only.

"Where BACM is placing

this," he said, "they have intentions of hopefully developing in the future and as such will not want a batching plant there either."

In opposing the motion, Councillor Frank Lukay pointed out that "they want to service this town, but they don't want to pay taxes to this town."

Town Planner J. X. Woodroffe replied to a suggestion that the company be made to establish a properly-zoned industrial area: "We don't have one, no this is the only location they can use."

Also opposed were Councillors Rene Kambouroff and R. G. Wheatley.

THE ELECTION GAME

Councillor urges better publicity

St. Albert citizens are not really aware of what goes on in town, contends Councillor J. J. Bakker.

At the May 25 meeting of council, Councillor Bakker proposed that a firm of public relations counsellors be

employed by the town to prepare pamphlets to go out to every citizen, outlining developments and development policies in the town.

It was pointed out that a motion to this effect was already on the books but that

no action had yet been taken. A motion "to do something about the motion that had already been made," was approved by a vote of 4-3.

To a suggestion that department heads prepare an information letter for gen-

eral mailing, he replied that department heads are busy enough as it is.

Councillor Frank Lukay commented that at the annual meeting, the chairman of public works and finance committees submit reports.

Councillor R. A. Russell interjected that in his opinion citizens were not that much interested in development policies.

It was finally agreed by a vote of 6-1, that the matter of obtaining information pamphlets should be placed on the next agenda of the finance committee. Mayor Ray Gibbon was opposed.

Fastball tournament

St. Albert Texaco defeated St. Albert Drive-In 4-3 in the final game of the annual fastball tournament held at Stony Plain over the weekend.

The Texaco squad earlier downed Stony Plain 9-2 and Purple Dude 8-3 to reach the final.

The Drive-In had victories over Belcourt Construction 6-2 and Calahoo 5-3. Charlie Garvis was the winning pitcher and Rich

Richardson had a home run for the winners. Richard Bjrd suffered the loss.

St. Albert Drive-In travelled to Spruce Grove Monday night and came away with a 9-4 victory. Mike Hampel was the winning pitcher and also hit a home run.

Tonight's games in the Sturgeon Fastball League have the Drive-In going to Stony Plain and Texaco at home against Spruce Grove. Game time is 6:30 p.m.

Saints victory

St. Albert Willowbrook Saints made it two victories in a row with a come from behind 9-7 win over the Winterburn Tomahawks in an Oilfield Baseball League game played last Saturday in St. Albert.

An error by second baseman Larry Mitchell, allowed Winterburn to score two runs in the third inning to take a 2-1 lead. The Saint's first run was scored by Richie Perrault who singled and scored on another single by Louis Martineau. Winterburn scored four runs in the fourth on another Saints error, followed by a walk and two singles.

Ray McMillan started on the mound for St. Albert but was replaced by Bud Pyluk in the fifth inning.

The Saint's scored two runs in the fourth when Larry

Mitchell singled scoring Louis Martineau and Ray McMillan. The Saint's put things out of reach in the sixth inning on a two-run scoring triple by first baseman Zen Roskewich for a final score of 9-7.

The Saint's suffered their first loss Sunday as the Warburg Buffaloes came up with a 6-1 win in Warburg. The Saints opened the scoring in the second inning as Ray McMillan got the first of three singles and scored on Richie Perrault's double. Warburg scored single runs in the fifth and sixth innings and wrapped it up in the eighth scoring four runs. Fred Resler was the losing pitcher.

The Saints next game is tonight against Calmar Angels at Mission diamond at 6:30 p.m.

Local students in provincials

On the weekend Paul Kane students ran, threw and jumped their way to the highest of track and field laurels. Russell Delorme, Dave Kryskow, Betty Harrison and Earl Berg were outstanding at the North Central Zone track meet and qualified to compete in the provincials in Calgary next Saturday.

Russell Delorme won the senior boy's two mile race with a time of 10:42.3 sec., and the one mile race in 4:50.8 sec., setting records in both events.

Betty Harrison broke North Central records in the senior girl's high jump (5' 2"), the 80 meter hurdles (12.7 sec.) and the long jump with a leap of 16' - 8 3/4".

Dave Kryskow won the senior boy's long jump (19' 7 1/4") while Earl Berg qualified by finishing second in the junior boys shot put (42' 11").

Denise Gravelle and Valerie Hermanns, both from St. Albert High will also compete.

RECREATION Hi-Lites

SWIMMING

Because of Farmers' Day (June 12) there will be several changes in the pool schedule. Lessons will be held on Saturday, June 6 from 8-10 a.m. and the public swimming session on that morning will start at 10:30 a.m. (not 9 a.m.).

The examinations for the current session of lessons will be held on Thursday, June 11. On Farmers' Day, the Saturday schedule will be in operation.

The first Mile Swim of the season will be held next Sunday, June 7 at 9 p.m. Registrations are at present being taken at the pool and as only a limited number can participate it is advisable to register early.

Under the Joint-Use Agreement between the town and the school districts, the pool has been used daily since it opened by the schools for instructional purposes. All the Grade 2 students in the town have been given the opportunity of learning the basics of swimming and many of the high school students have been able to include swimming in their physical education programs. The extensive use of the pool by the schools as well as the normal Red Cross classes has meant that there is little or no public swimming during the day.

While recreational swimming is important, so is the instruction program as it is by this means that the number of drowning accidents is reduced. Towards the end of June when the school term is coming to an end there will be more public swimming during the day. These sessions will be posted at

the pool and published in the Gazette.

TENNIS
Several instructional classes were "rained out" and are being re-scheduled and for the next two weeks the schools will be making irregular use of the courts. Anyone wishing to play tennis during the day should phone the department of recreation first to avoid disappointment.

Father Jan art exhibit

Keen competition was the key word at the Father Jan Art Exhibit. The incentive may have been the cash awards offered by the teach-

ers for the entries judged best in five different competitions.

No limit was placed on type of art or craft or the media used to express creativity. The result was a diversity of objects which would make any judge turn grey. It became the responsibility of Miss Muriel Lalonde, art teacher at Father Jan, to make the decision as to class placement of the different objects of art and an even greater responsibility fell on Miss Sharon Busby, art teacher at Vital Grandin School and Mr. Bob Chaput, IMC co-ordinator,

who were asked to judge the entries.

Prize winners were:

Grade 1-3 - Art: first - Gail McDonald; tie for second - Leanne Gordon and Martin Lindner. Craft: first - Shanda D'Aoust; second - Phyllis Turkington.

Grade 4-6 - Art: first - David Bolton; second - George Montpetit. Craft: first - Glen Martindale, second (tie) - Lauriane Joly and Tony Durocher.

Hobbies: first - Adele Ricard; second - Pat McDonald; third - Dean Bittman.

GIRL GUIDE COLOR PARTY
...at opening ceremonies of jubilee rally

60th anniversary

When girl guides of the St. Albert Division set out to celebrate -- they do it in grand style! To mark the 60th anniversary of the Girl Guide

movement in Canada, the local division guides and brownies invited cubs and scouts to join them in a jubilee rally program that was a credit to leaders who organized the day's outing and the young people who participated.

It is estimated that between 1,200 and 1,500 people attended, including youngsters, leaders and helpers. They came from St. Albert, Winterburn, Morinville and Gibbons.

The celebration began at 1 p.m. Sunday with impressive opening ceremonies at the campsite three miles east of St. Albert when com-

panies presented the colors to their respective commissioners.

Land and sea rangers raised the Canadian flag at the 30-foot log tower constructed by localscouts over a period of several weekend camping trips. The tower -- a real engineering feat -- was the centre of attraction and activity as young people proved their athletic prowess by scaling it repeatedly.

A wide range of activities was carried on simultaneously in various areas of the camp. The scouts displayed their tower and rope bridge, gave demonstrations of wood chopping and setting up a camp kitchen -- and amazed their female counterparts with a camp cooking demonstration.

Guide activities ranged from sand painting, totem pole carving and portrait painting to more vigorous activities such as tee pee erecting, tent pitching and endurance challenges.

For brownies, games and races were the order of the day with old favorites like the sack race, potato race and tug-of-war competing with something called "sugar cubes on tongue depressors."

Cubs turned out in force for horse shoes, nail driving, bean bag toss, walking the plank and crab racing plus 17 other games which would have daunted anyone less youthful or enthusiastic.

After all the activity, supper was a big event -- with endless quantities of hot dogs, doughnuts, pop and ice cream consumed.

A mother-helper at one of the food booths reports a cub approaching her and saying he felt a bit full after "only 11 hotdogs."

A big moment of the day came when Chief Peacock of the Enoch Indian Band at Winterburn, dressed in full ceremonial regalia, lit the giant campfire as the huge assembly sang the traditional "Fires Are Burning." Chief Peacock and his wife were special guests for the day.

Dick Leggett led the evening sing song and Don Kennedy taught the group a song

and special rhythmic applause originated by Lord Baden-Powell.

Mrs. Diane Sandomirsky of St. Albert, deputy provincial training commissioner was on hand representing the provincial Girl Guide Association.

The job of organizing such a large and successful celebration fell to the following co-ordinators -- Mrs. W. Stefiuk, Mrs. N. Hayes, A. Vandenberg, Mrs. M. Smith, Marilyn French, Ted Langford and Dick Leggett.

Those in charge wish to especially thank leaders and parents for their assistance.

Air cadets hold annual inspection

Three Hercules aircraft from Namao Air Base roared over St. Albert High School at precisely 7:15 p.m. Thursday in an air salute marking annual inspection night for 533 Squadron, Royal Canadian Air Cadets of St. Albert.

Months of training and drill were put on display as the smartly turned-out cadets, under C/O Marcel Bergevin, were inspected by Major P. Hope, Canadian

Forces Base, Edmonton (Namao).

A ceremonial review and band counter march display were part of the program.

Special guests included Mayor Ray Gibbon, Don Johnson of the provincial committee of the Air Cadet League of Canada and George Esdale of Edmonton, president of the provincial committee.

Mr. Johnson congratulated the St. Albert squadron for

achieving top ticket sales in the province-wide Hawaiian draw - a money making venture for the province's air cadet squadrons.

WO11 T. Maine presented a summary of the 1969-70 training year.

An impressive array of trophies and awards was presented.

The St. Albert Lions trophy for cadet of the year went to WO11 T. Maine, while the Morinville Hardware Trophy for outstanding NCO was won by Sgt. W. Eschak.

A trophy offered by the Morinville Lions Club for outstanding bandsman (drum) went to Cpl. B. Willas. The Alberta Trading trophy for outstanding bandsman (trumpet) was won by LAC W. Taylor. Most valuable bandsman and winner of the Munro Trophy was Sgt. L. W. Tolman.

The Gore Mutual trophy for top marksman was presented to F/S B. Fildes while winner of the Best Appliance trophy for best first year shot was LAC R. Bondarevich.

F/S D. White was named best all round cadet and received the Sabina Agency trophy for his accomplishment.

Forty perfect attendance awards were presented to:

Fourth year - WO 11 T. Maine, F/S D. S. White, third year - F/S B. J. Fildes, Sgt. C. R. Carrignan, Sgt. T. W. Tolman; second year, Sgt. W. S. Eschak, Cpl. A. J. Bendick, Cpl. A. F. Rapati.

First year - Cpl. C. Tomash, Cpl. K. Russell, Cpl. D. Forbes, Cpl. B. Willas, LAC's C. Binette, R. Bondarevich, D. I. Brewster, D. A. Brewster, D. Brochu, D. A. Cook, K. R. Doering, R. d'Haene, K. Fraser, D. J. Gleason, F. J. Hamilton, P. Helton, J. Hesselwood, J. Humbert, B. Jones, M. H. Lewis, J. T. Lucas, R. F. Lukay, T. Moran, F. M. Rapati, C. Regimbald, L. Richard, D. M. Sanche, P. Stangrecki, W. D. Taylor, B. R. Thompkins, R. W. Warren, D. A. Weber.

Three special awards were presented by the cadets to honor men who have assisted them in their activities. Presentations were made to instructors Hans Felch and Gerry Ward and

to Ed Savoie who has provided bus transportation for the cadets throughout the year.

The inspection was the final official occasion in which cadets will participate this year, although the regular program will continue until the end of June. Highlight of the year was the awarding this spring of four flying scholarships to WO11 T. Maine, Flt/Sgt. Barry Fildes, Cpl. Keith Russell and Cpl. Arnold Bendick as well as a senior leader's scholarship to Flt./Sgt. Dave White.

Eighteen cadets will attend camp at Penhold, commencing August 3 while two cadets will be chosen for an exchange visit to the camp at Bagotville, P.Q.

Following formal inspection ceremonies, cadets relaxed at Lions Park where they enjoyed a weiner roast provided by the squadron's sponsors, St. Albert Lions Club.

Officers, instructors and invited guests were entertained at a reception in the Community Hall.

Visitor: "You don't mean to tell me that you have lived in this out-of-the-way place for over thirty years?"

Hermit: "I have."

Visitor: "But really, I can't see what you find to keep yourself busy."

Hermit: "Neither can I... that's why I live here."

Creative School board

Mrs. Laurel Thronson was elected president of the board of the St. Albert Creative School Society May 13. Executive members are vice president, Mrs. Joan Candy; treasurer, Angus Paton; general board members, Mrs. Anita Yoni, Mrs. Pat Bahuk and Mrs. M. Badun.

Members of the board were shown slides of the children doing ceramics.

The Creative School is the only nursery school and kindergarten in the prairies which offers a program in ceramics for children.

Pupils in the school marked the closing day of classes Friday with a visit to Storyland Valley Zoo. During the year they enjoyed field trips to the St. Albert firehall, planetarium, provincial

museum, a honey factory and centennial library.

Four parties were held during the year. The children presented a concert for their parents at Christmas and at Easter Mrs. Bakker entertained the children with a puppet show.

Classes were also visited by a member of the RCMP and a dental hygienist from the Sturgeon Health Unit.

Pupils of St. Albert Protestant Kindergarten at Braeside Presbyterian Church held closing exercises Friday evening when parents were entertained by a performance of "Sleeping Beauty." The kindergarten will re-open in September, with openings still available for pre-schoolers.

Soccer star of the future gets ready to drive a shot at the goal in an Atom B House League game.

ATOM All-stars win

On Thursday, May 28 the Atom all-stars, coached by Tony Holden and Campbell Smith won a victory in the first round of the challenge cup by defeating Balwinfour goals to nil. Goal scorers were Scott Gannon - two; Allan Gates - one; Martin Holden assisted on these three goals. The fourth goal was scored by Brent Belsher, assisted by Robert Gau.

On Monday, June 1 the Atoms defeated Argyle by a score of two goals to nil.

Scorers were Allan Gates and Scott Gannon.

The Atoms next game is against Killarney on Thursday, June 4 at George Simpson School at 7 p.m.

So please parents turn off your TV sets and turn out to cheer the boys.

AROUND TOWN

Word has been received that David John Otto of 4 Grosvenor Blvd., has received the degree of Ph.D. in Higher Education at the spring commencement of the University of Michigan, in

Ann Arbor.

Dr. Otto is employed by the University of Alberta in the office institutional research. He also teaches in the faculty of business and commerce.

Bon Accord 4-H achievement day

There was a very good attendance at the Bon Accord 4-H Sewing Club achievement day at Bon Accord, held at the community hall recently. Most of the 18 girls got red ribbons for

their project books, displays and fine workmanship of their garments.

Joyce Rigney was the chairman for the evening, and Suzie Allison the commentator. Deborah Uchacz gave the summary of the year's work.

Diane Kondruk and Janet Andruk gave their pros and cons on "Should Girls in Junior high date." Fay

Strawson gave an interesting talk on what 4-H does for you.

A leader Mrs. J. Milligan explained to the girls and parents - how points and trips are achieved in 4-H.

After the modelling of the garments, the Judge Miss V. Spencer gave her comments, and congratulated the girls on their artistic displays,

the excellence of their sewing and the completion of their books. Mrs. R. Rigney, a leader, distributed the awards.

The first year girls were presented with pins, the second year girls with teaspoons. First year winner of best project book was Beth Lewis; best project book award for the rest of the club was won by Helen Rigney.

Other winners were: best display - Carol Rigney; best sewing - Deborah Uchacz; most points for the evening - Deborah Uchacz.

Although 4-H public speak-offs were held in April the trophies were awarded this evening to the following girls:

First - Joyce Rigney; second - Suzie Allison; third - Deborah Uchacz.

Joyce Rigney presented gifts to the leaders Mrs. Rigney and Mrs. J. Milligan, as a token of appreciation for all they have done for the girls.

The evening ended with a delicious lunch of coffee, strawberry shortcake and ice-cream, served by the 4-H girls.

Business Changes in Morinville

Several changes have taken place in business property lately. The well known John Deere building, owned and operated for many years by the Krauskopf Bros., and managed in recent years by Clarence Krauskopf has been purchased by Ray Houle and will serve as a radiator and welding shop under his operation.

The Morinville Hotel also changed hands recently. Mr. and Mrs. Walter Pankiw formerly of Trochu, Alberta, where they managed a hotel

for several years, are the new owners.

Tremblay's Garage has also changed hands and the new owners of the large building are Robert Cox and John Rak. Norman Tremblay will continue to use the front part of the building for his New Holland dealership business. Mr. Cox and Mr. Rak will operate a complete mechanical service for Morinville and district, after their complete arrangements for operation in their new premises.

Calahoo WI news

By Liz McLeod

The 113th meeting of Calahoo WI was held at Mrs. Vance Berry's home with 18 members present and visitors Lucienne Valder, Kathleen Walker and Mrs. Ron Heap enjoying the friendly gathering.

The usual order of the meeting took place and then a letter was read pertaining to all for the exchange students from St. Albert and Paul Kane High Schools who

will travel to Quebec. After some discussion it was moved we send \$25 to help out since we are a small group.

Mrs. Roy Schermund chose agriculture for her subject for this evening. She invited our district agriculturist, Mr. Klatt to give us a talk.

Mr. Klatt gave us a very interesting speech on the work of the district agriculturist, the fieldman and the D.I.E. Then a detailed description of how to plan and plant a shelterbelt.

On the west and north side there could be an outside row of caragana for it is hardy and resistant. Next row could be poplar and for the third row laurel willow or Manchurian elm, next row may day, and on the inside evergreen trees for their beauty.

On the south and west to keep out the summer wind and dust, a slow growing willow for the outside and ash for the inside.

Then around the lawn petunia aster or honeysuckle can be planted and for landscaping keep it simple.

On can go with kidney-shaped islands and green ash, white birch or may day can be planted.

The sidewalks should be five feet from the house and veronica, lilac, spirea or bleeding heart can be grown on the shady side.

Linosy spray can be used before buds appear and for those grass-patch patches T.C.A. 90 can be applied. Our roll call was exchange of plants so many house plants, vegetable and flowers were exchanged.

Mrs. C. Bergstreiser won the door prize.

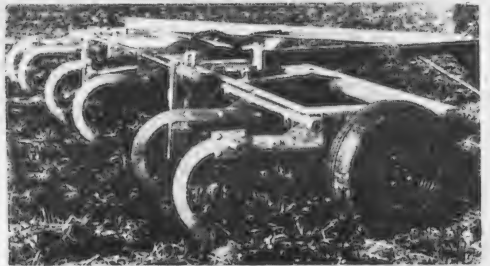

Mrs. Kris Dalheim blew out the birthday candles and had happy birthday sung to her and friendly visiting and lunch ended the May meeting.

nells, Legal - 16 points in the 6 year-old; Walter Fizer, Legal - 13 points in the 7 year old; Denis De Champlain, Legal - 8 points in the 8 year-old; Gary Van Brabant, Camilla - 8 points in the 8 year-old; Melvin Cornelis, Legal - 20 points in the 9 year-old; Dwayne Granger, Camilla - 18 points in the 10 year-old; Pierre Carriere, Legal - 18 points in the 11 year-old; Rocky Lavallee, Legal - first in the 12 year-old; Richard Anderson, Morinville and Robert Witchen, Camilla - both top scorers in the 13 year-old; Richard Cornelis, Legal - 20 points in the 14 year-old; Tommy Banack, Camilla - 18 points in the 15 year-old and over.

Clark - Rigney wedding

St. Faith's Anglican church in Edmonton was the scene of a lovely spring wedding, when Norma Lois, eldest daughter of Mr. and Mrs. Ray L. Rigney of Bon Accord exchanged vows with Melvin Ronald, eldest son of Mr. and Mrs. Harold E. Clark of Nampaw.

The double ring ceremony was performed by Rev. J. Ramsey Stewart of Bon Accord. Organist was Mrs. R. Hanson of nampaw.

The bride entering the church with her father looked radiant in her floor-length gown of lagoda crepe, styled with empire waist, long full sleeves with lace inserts, and a full train falling from the waist, also with lace inserts. Her bridal veil was held in place by a small lace bonnet. Norma carried a beautiful cascade bouquet of multi-colored roses and spring flowers.

The matron of honor was Mrs. Shirley Trimble, sister of the groom. Bridesmaid was Miss Joyce Rigney and junior bridesmaid Miss Marsha Rigney, sisters of the bride. The brides' attendants wore identically styled gowns of fantasy, Mrs. Trimble wearing pale yellow and Joyce and Marsha in light green. They carried bouquets of silver carnations and tinted green and yellow baby mums.

Best men were Marvin Trimble, the groom's brother-in-law, and Donald Rigney, brother of the bride. Ushers were John Bradley and Brian Clark.

For her daughter's wedding Mrs. Rigney chose a pale blue two-piece formal dress and jacket ensemble, complemented by a corsage of pink sweetheart roses and matching pink accessories.

Mrs. Clark wore a strawberry pink ensemble with white trim, white roses and carnations encorsage and white accessories.

Following the ceremony a reception and dance were held at the Bon Accord Community Centre. The bride's table was centered with a beautifully decorated four-tier wedding cake trimmed with yellow roses and flanked by yellow tapers.

Master of ceremonies for the evening was Keith Everitt, Frank Rigney proposed

the toast to the bride. Telegrams of congratulations were read from Mr. and Mrs. Frank Hughes of Essex England, Mr. and Mrs. Mel Pettibone, Mr. and Mrs. Bill Bradley, and Mr. and Mrs. Gary Clark of Tulsa, Oklahoma.

Out of town guests were Nicholas Hughes of Essex, England, Mr. and Mrs. Roy Clark of Ponoka, Mr. and Mrs. John Demuyck of Thor-

sky, John Ohynsty of Wildwood, and Mr. and Mrs. Orville Simile of Trail, B.C.

For her honeymoon to the mountains the bride donned a two-piece dress and jacket ensemble of china blue Solitaire complimented with an orchid corsage and white accessories.

The happy couple will make their home in the Nampaw district.

Thibault registers beginners

Orientation week for prospective grade 1 pupils of the Thibault School District will be held from June 22 to June 26 this year. Children who will be six years old by Dec. 31 are invited to attend school for this week.

To accommodate the beginners, the present grade 1 classes will remain home during this week.

Beginners will be registered in grade 1 French or grade 1 English according to the wishes of parents and the spoken language of the pupil.

The program is designed

to help beginning pupils get a better start in their first school year. Parents will be provided with a booklet containing information on how to help the child adjust to the first year at school and explaining what will be expected of him.

Parents of beginners who have not registered at the school, are asked to visit the school office well in advance of June 20 in order to fill out the necessary forms. Proof of age (birth or baptismal certificate) must be provided for each beginner.

St. Albert High takes tennis cup

Albert High, won by default; girls doubles - Moira McLoughlin and Lynda Wauch, St. Albert High, won by default.

Mixed doubles - Anders Ulsen and Roberta Parsons of St. Albert High defeated Bryan O'Toole and Lynn Hopkins of Paul Kane 6-0,

6-1.

Boys singles - Doug Kane of Paul Kane defeated Julian Romanko of St. Albert High 6-1, 6-0.

Boys doubles - Stephen Laird and Jim Yuskiv of Paul Kane defeated Dennis Dalphond and Don Kennedy of St. Albert High, 6-0, 6-2.

Vimy news

Mr. and Mrs. Myron Cannard from New Westminster, B.C., are on an extended visit at the home of their son and daughter-in-law, Mr. and Mrs. Gordon Cannard

The grade 5 students spent a most delightful day on Thursday as they were bused into the city of Edmonton and later attended the Shrine Circus.

The local French examinations are under way presently. The three highest contestants will then compete in provincial exams.

Sympathies are extended to St. Jeannette Rousseau and Gabriel Caouette upon their recent loss of Emile Chalfoux from Beaumont.

Mr. and Mrs. G. Cannard had the visit of their two grandchildren during their daughter and son-in-law's Mr. and Mrs. Tony Hoovers' trip to Holland.

Baptismal services were held May 24 for the infant son of Mr. and Mrs. Adonias Fortier. Congratulations to the proud and happy parents.

Father A. Desjardins accompanied by his mother have gone on a two and a half week holiday to Montreal where they will attend an ordination in the family.

Mr. and Mrs. Maurice Ringette were feted by their children on the occasion of their 25th wedding anniversary. A large number of guests were in attendance at the community hall to offer best wishes. Congratulations and best wishes for many more happy years.

St. Albert Atoms, back row, left to right: Tony Holden (coach), Terry Nickerson, Lonnie Eschuk, Martin Holden, Danny Kehoe, Doug Nickson, Chris Skrobot, Bob Drysdale, Campbell Smith (coach). Front row, kneeling left to right: Warren Brown, Robert Gaur, Scott Gannon, Brent Belsher, Stuart Gibbs, Alan Gates.

Around Town

Arrangements were made late Tuesday evening to combine the Chamber of Commerce dinner meeting and the Fish and Game meeting, both scheduled for June 9. Following the chamber dinner meeting at the Club Mocambo at 6:30 and a presentation of findings from a pollution study conducted by Paul Kane students, the group will join the Fish and Game meeting at the Community Hall.

Julian Kinisky will speak at 8 p.m. followed by Bill Veness and T. V. Mussivand of the water resources branch, department of agriculture.

New discs give job advice

High school graduates are getting advice on careers via one of their favorite means of communication - discs. Toronto publicists Ron and Sheila Kenyon, aided by a teen-age son and his friends, have spent hours interviewing experts on what they like about their jobs. The answers are edited and put on records. To date the Kenyons have produced four albums, which, they say, are selling well in schools at \$20 an album. Each includes four discs and offers advice about such disparate professions as medicine, law, journalism and police work.

Council briefs

Council agreed at last week's meeting to ask the Sturgeon Health Unit to investigate the matter of the Safeway Incinerator.

Building Inspector J. D. Roberts reported that the Safeway had complied with Sturgeon Health Unit regulations and that the incinerator was equipped with the required double combustion chamber, but in view of a number of complaints from citizens over smoke conditions when the incinerator

is in use, council agreed that further investigation was in order.

Council has approved the appointment of Paul Poulin as weed inspector for St. Albert.

Councillor Rene Kambooroff reported to council that following an account in the Gazette regarding complaints against Alcan made at a previous meeting by a resident of the Braeside

development, he had received a number of phone calls from residents of the area who felt that the complaints had been exaggerated. They stated that they were quite happy with the way in which the company was handling the development, he said. Several councillors reported that they had received similar phone calls.

On recommendation of the Arena Board, council named to the board two new members representing the citizens of St. Albert. They are Ken MacRae and Al Laplante.

A proposed extension to the Club Moombo, plus a general "face lifting" for

Rock Show Set for Can-Am

An all night Rock Festival will be run in conjunction with the 1970 Can-Am. The rock show will be held in the quarter mile oval at Speedway Park and will start at 9 p.m. Saturday, July 25. The Collectors, one of the fastest rising rock groups in North America has been booked as the feature group. Trio Productions are currently negotiating with three

the front of the existing building, was approved by council last week. The owners will be required to provide property for a service road and the approval is subject to the public works committee approving the aesthetics of the building extension.

Council voted unanimously to advise Jim Baker Real Estate that the town is not interested in the purchase of 9.4 acres of land zoned light industrial at a listed price of \$22,500. The land is located immediately north of the river across from Pro-Western Plastics Ltd. Development Control Officer J. D. Roberts stated that the land was undevelopable because of flooding.

other groups to fill in their 9 p.m. to 4 a.m. show. "Thousands of young people have camped overnight at the large Speedway grounds for the Can-Am race during the past two seasons," says Don Clarke of Trio Productions, who expects some 12,000 youngsters to turn out for this year's combined Rock Show and Can-Am race.

Road Construction Occupies M.D.

Public works committee member Mr. Bill Flynn reported to the May meeting of Municipal District of Sturgeon on their study of the proposed upgrading of Evergreen Road. They estimated the total cost would be \$25,000. \$7,900 was estimated for grade work, \$10,500 for gravel and \$6,600 for oil. The committee recommended to council that Steel Bros. Sand and Gravel, Apex Sand and

Gravel, Twin Bridges of Edmonton City be approached to share the cost on a basis of \$5,000 each. If agreement was reached with these four, the municipal district would absorb the fifth share, and would commence work on the project. Council moved to accept the public works committee's recommendation.

Mr. Wiebe of Consolidated Concrete Limited met with council to discuss the con-

dition of the Villeneuve Road. The company will assist with improving the road on the basis previously agreed to with the municipal district. M.D. Sturgeon will pay a maximum of \$150 per mile and Consolidated will pay the balance.

The department of highways advised by letter an allotment of \$50,000 for grading and graveling secondary road #635 west and east of N. 10th. The department also confirmed an allotment of \$25,000 for gravel and oiling 8 1/2 miles of secondary road #825 from N.W. 9-56-22-4 south to the junction of highway #15.

Council authorized oiling and graveling the road from N.E. 8-56-22-4 east two miles at approximately \$10,000.

Public works reported that 137 Ave. from 140 St. east to 119 St. had been oiled. The committee recommended oiling 156 St. two miles, gravel and oil from highway #2 six miles west and gravel and oil three miles east of Morinville and three miles west. Total cost will be \$59,618.

Council received as information for budget the following priority listing of road construction:

M.D. Will Spend over \$241,000 on gravel

Municipal District of Sturgeon council reviewed the public works committee's proposed allocation for gravel in 1970 at their May meeting. Formula is based on 1209 miles at 53 yards to the mile.

Area #1	129 miles	6,827 yards
Area #2	126 miles	6,678 yards
Area #3	143 miles	7,579 yards
Area #4	214 miles	11,342 yards
Area #5	211 miles	11,343 yards
Area #6	198 miles	10,494 yards
Area #7	188 miles	9,964 yards
TOTAL	1209 miles	64,077 yards

A total of 64,077 yards of gravel costing an average of \$2.62 per yard delivered on roads making a total of \$167,881.74 to be spent on divisional allocations. 20,000 yards at \$2.64 per yard \$152,400 for graveling of new construction, and 8,050 yards at \$2.62 per yard 21,091, for regravelling 23 miles at 350 yards to the mile of the 1969 constructed roads, for a total expenditure of 92,127 yards cost \$241,372.74 to be spent on gravel during the season of 1970.

The above divisional allocations does not include the debit or credit of yards of gravel allotted to each area which are as follows:

Area #1	No Credit or Debit
Area #2	1,281 yards debit
Area #3	287 yards debit
Area #4	189 yards debit
Area #5	339 yards credit
Area #6	1544 yards debit
Area #7	2832 yards credit

The committee recommended that the heavy equipment commence work on the Starkey road (i.e.) from the N.E. 35-54-25-4 going south three miles and work started on May 15, 1970.

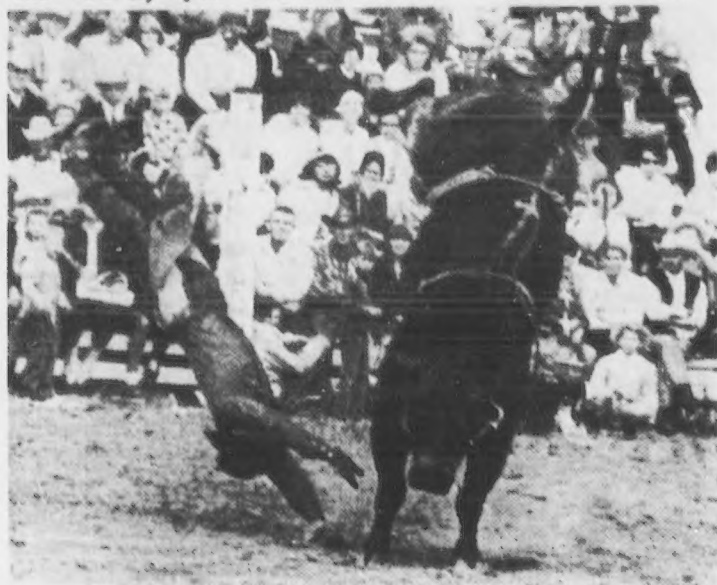

Four gravel contracts were approved by council:

- 1) Andy's Excavating and Hauling Ltd: regavel from N.E. 32-55-26-4 - West 3 miles - 250 yards per mile; regavel from N.E. 28-56-26-4 - south 5 miles - 250 yards per mile as per tender, from Consolidated Concrete Ltd. (Villeneuve).
- 2) Andy's Excavating and Hauling Ltd: N.E. 20-54-25-4 West 4 miles; N.E. 28-53-25-4 South 1 1/2 miles; N.E. 29-53-25-4 south 1 mile; N.E. 34-53-25-4 south 1 mile 350 yards to the mile at contract prices. 10¢ yard mile plus .02¢ per yard for loading.
- 3) Champlain Bros: N.E.

Calahoo couple renew vows

May 5 was a memorable day for Mr. and Mrs. Fred Labonte of Calahoo since it was their 50th wedding anniversary.

To celebrate this a mass was held May 8 at St. Catherine's Church, Calahoo, at 3 p.m. with Father Volle renewing their marriage vows.

Mrs. Madeline Labonte had her original bridesmaid, Mrs. Mary Benoit from St. Albert attending and her brother Dan Callihoo was Fred's best man.

The family put on this happy occasion and Mr. and Mrs. Charlie Scott and Emily Labonte came from Vancouver, B.C., Mr. and Mrs. Leonard Keller from Fort McMurray, Mr. and Mrs. Roderich Callihoo and Mr. and Mrs. Gordon Gallagher of R. R. 1 St. Albert, Mr. and Mrs. James Labonte from Spruce Grove, Mr. and Mrs. Edward Labonte, their families and Eli Labonte

from Calahoo.

The wedding party, Father Volk and the three alter boys Edmond Paquette, Perry Kolesar and Louis Kerckhof and close relatives enjoyed a banquet in the Stony Plain Hotel banquet room.

A reception and dance were held in the Stony Plain Community Hall where a crowd of over 500 gathered to enjoy the music of Pat Callihoo and his Toe Tappers. Incidentally Pat Callihoo played for Mr. and Mrs. Labonte at their wedding in 1920.

In attendance were Mr. Labonte's two brothers, Frances Labonte from Barrhead and Mr. and Mrs. Charlie Labonte from Shoal Creek.

The master of ceremonies was Mike L'Hirondelle from Hinton.

The children cooked seven turkeys and three large hams and all the trimmings for the buffet supper at midnight served by the Calahoo ladies.

Morinville locals

Congratulations to Harry White manager of the Morinville branch of the Royal Bank who has received word of a promotion. Mr. White will be leaving Morinville with his family shortly after school closes. Both Mr. and Mrs. White have been active community workers and both will be missed by the residents of Morinville and district.

Mrs. Joe Perras recently returned from a holiday trip to Hawaii where she was joined by her daughters, Mr. and Mrs. Ed Vervynck Sr. of Morinville accompanied by his sons Ed and Marcel and their wives are on a six week tour of Belgium and other European countries.

Mr. and Mrs. Ross Yolland visited Medicine Hat last weekend where Mr. Yolland attended the CC annual meeting as a delegate from the Morinville Board of Trade.

Congratulations to Mr. and Mrs. Edward Van Lerberghe (Lesburg) who celebrated their golden wedding anniversary on Saturday, May 30.

Miss Doreen Vervynck, daughter of Mr. and Mrs. Ferd Vervynck of Morinville has graduated from a year's beauty culture course taken at St. Joseph's high school in Edmonton. Graduation exercises were held last week at the school. To celebrate their daughter's graduation, Mr. and Mrs. Ferd Vervynck hosted a family dinner at the Beachcomer with 10 guests present. Among gifts presented were a gold watch from her parents and a hair-dryer and make-up mirror from the family.

Mr. and Mrs. Ernest Lamarche returned last week after spending several weeks down east visiting relatives and friends.

Mr. and Mrs. Rene Maurier travelled to Lethbridge to attend the Knights of Columbus convention last weekend.

The rummage sale committee would like to thank all the ladies that helped, those who donated and also those who patronized the sale, making it such a success.

The winner of the raffle for the flowered centrepiece was won by Susan Maurier and the handmade rug was won by Michelle Quagebeur.

Miss Louise Boisvert was feted at a miscellaneous shower Sunday afternoon in the recreation centre. After

playing a number of games the future bride opened her lovely gifts and thanked everyone for attending, especially the hostesses, Mrs. Bobby and Pat de Champlain. Louise was very pleased to see her mother Mrs. Paul Boisvert and her sister-in-law Mrs. Gladys Boisvert from St. Paul who came especially for her shower. Louise is the bride elect of Laurent de Champlain. The wedding will take place on June 27 in St. Emile's Church at Legal.

Do you want to see good baseball? Come to Legal, June 6 and 7 and attend the big senior baseball tournament. Come and support your local team!

A lawn shower for Laurent de Champlain was held at the home of his parents Mr. and Mrs. Lucien Cyr Sunday afternoon.

ernoon.

The minor baseball organization is having a bottle drive on June 13. Have your bottles ready and help the organization to raise funds.

The C.W.L. will host Mr. G. Townend, the Sturgeon Hospital administrator, and Miss B. Drury, director of nursing of the hospital who will speak at the recreation centre June 22 at 8 p.m. Remember that it's our hospital and we urge everyone to attend and find out more about it.

Special congratulations are extended to the Legal Knights of Columbus council they were awarded a star council award for achievements during the year at the convention in Lethbridge last week.
